Office Line

January 2019

General description:

Writable colored adhesive paper, coated with a special removable and repositionable adhesive. Product designed to take notes, highlight, etc. Usable with 3 practical dispensers designed and provided exclusively by SL for home, office, schools, cars, campers, trucks, etc. The entirely adhesive surface guarantees excellent adherence, easy removal without leaving any residue and the possibility to attach and detach the adhesive sheet several times without losing adhesiveness.

Product features and applications:

- Good initial tack
- Quick and easy to use
- Writable
- Excellent resistance to aging, UV rays and temperature changes
- Repositionable
- Good adhesion on all surfaces
- Residue-free
- Recycled paper
