Pastel Line

January 2024

General description:

Writable colored adhesive paper, coated with a special removable and repositionable adhesive. Product designed to take notes, highlight, etc. Usable with 3 practical SL dispensers for home, office, schools, cars, campers, trucks, etc. The entirely adhesive surface guarantees excellent seal, easy removal residue-free and the ability to attach and detach the adhesive sheet several times without losing adhesiveness.

Product features and applications:

- Recycled paper.
- Good initial tack.
- Quick and easy to use.
- Writable.
- Excellent resistance to aging, UV rays and temperature changes.
- Repositionable.
- Good adhesion on all surfaces.
- Residue-free.
